Adoption Interview Checklist:

Applicant's Name: _____ Pet's Name/ID Number _____

- Reason for adoption: _____
- Primary caregiver: _____
 - Child or Adult. Children should not be considered the primary caregiver for a pet. A responsible adult in the household must accept responsibility for providing proper feeding, cleaning, exercise, socialization and medical care.
- Current health concerns of animal, if any.
- Medical care provided to date
- Microchip. Microchip registration number
- Gift? Animals should not be provided as a surprise gift. If you want to provide a pet as a gift, involve the recipient in the process of selecting an animal. The recipient will need to be screened by HHPR.
- Proof of homeownership or management permission?
- Current pets vet records - currently vaccinated?
- Litter box issues
- Indoor vs outdoor. HHPR .will not place pets in a home where they will be allowed to go outdoors unrestrained and unsupervised at any time. Cats from HHPR should be kept indoors exclusively. HHPR will be happy to discuss possible exceptions to that rule.
- Declawing. Declawing is painful and can lead to behavioral and future health issues. HHPR will not place a cat into a home where declawing is being considered. HHPR will gladly assist adopters in finding alternatives to mutilating cats paws.
- Introduction to existing pets. Successfully introducing existing pets in teh household to newly adopted pets can take time
- Introduction and supervision around young children
- Activity level & companionship
- Transfer or surrender policy
